

HEMANSH VERMA

Aspiring Computer Science Engineer

☎ 7307227418 ✉ hemanshv7void@gmail.com 🌐 LinkedIn 🐙 GitHub 📍 Varanasi, India

PROFESSIONAL SUMMARY

Computer Science undergraduate with experience in AI, full-stack development, and data analysis.

SKILLS

Programming Languages :	C++, C, Python, Java, SQL
Frameworks Libraries :	React, Node.js
Tools Platforms :	GitHub, Databricks
Databases :	MongoDB, Supabase
Soft Skills :	Teamwork, Adaptability, Problem Solving, Collaboration, Analytical Storytelling
Languages :	English, Hindi

WORK EXPERIENCE

AI Intern | Internship Jan 2026 - Feb 2026

Microsoft Elevate Program

Project: Urban Mobility Demand Forecasting

- Built ML models (XGBoost, Scikit-learn) on sample datasets during Microsoft Elevate AI program, achieving R^2 score of 0.88.
- Processed 8,000+ hourly records, integrating meteorological data (Solar Radiation, Humidity) with temporal features to reduce prediction variance.

Technologies / Skills Used : Python, Azure AI, Scikit-Learn, XGBoost, Pandas, Seaborn

EDUCATION

Ashoka Institute of Technology and Management | Varanasi Sep 2023 - Present

B. Tech in Computer Science and Engineering

Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Web Development, Database Systems, Computer Networks

PROJECTS

Forest Fire Prediction

Self project

- Generated insights to support early detection and better decision-making for fire prevention.
- Worked with real-world data (1,000+ records) to identify patterns influencing fire risk.

Technologies / Tools Used : Scikit-learn, Seaborn, Streamlit

CineGyaanAI – AI Learning Platform

Self project

- Developed an **AI-driven education tool** that enhanced concept understanding efficiency by **35–40%**.
- Created an automated **PDF summarization pipeline**, cutting manual note-taking time by **60%**.
- Implemented backend logic with **Python** and optimized data processing using **Pandas**.

Technologies / Tools Used : Python, NLP, groq, Javascript, React, Tailwind CSS

AWARDS & ACHIEVEMENTS

- Completed **Data Visualization Certification** from Vodafone Idea Foundation (VOIS), demonstrating skills in data interpretation and visualization techniques
- Earned **AI & Machine Learning Certification** from Reliance Foundation, gaining hands-on experience in ML workflows and real-world applications
- Completed AI program using **Anthropic Claude**, applying LLMs for automation and intelligent content generation
